

Intapp DealCloud named Deal Origination Solution of the Year at the 2024 Private Equity Wire U.S. Credit Awards

September 19, 2024

DealCloud's AI-driven deal and relationship management capabilities recognized for excellence among service providers in the private credit industry

PALO ALTO, Calif., Sept. 19, 2024 (GLOBE NEWSWIRE) -- [Intapp](#) (NASDAQ: INTA), a leading global provider of AI-powered solutions for professionals at advisory, capital markets, and legal firms, announced today that [Intapp DealCloud](#) was named Deal Origination Solution of the Year at the [2024 Private Equity Wire U.S. Credit Awards](#).

Chosen by private equity and hedge fund industry voters, the awards recognize excellence in fund performance and influential service providers across U.S. credit funds. Nearly 9,000 votes were cast to determine this year's winners.

"We're honored to be voted the best deal origination technology by Private Equity Wire readers," said Amit Lalwani, Global Head of Sales and Account Management for Financial Services at Intapp. "It's a testament to the way Intapp DealCloud uses AI-driven relationship signals and zero-entry technology to help dealmakers more easily identify and nurture relationships. Strong relationships are essential to efficiently fundraise, originate deals, and build business in today's increasingly competitive environment."

DealCloud is a data-powered platform designed to help enterprise private credit firms accelerate deals, optimize portfolio performance, improve collaboration, and make better-informed decisions — all from a centralized hub. With AI capabilities, automated data capture, and integrated market intelligence, DealCloud helps teams work more efficiently by consolidating data, automating processes, and generating actionable intelligence. As a result, teams have more time to focus on strengthening their networks and sourcing more opportunities.
