Presentation: 4:35PM ET

A live webcast of the event and archived webcasts will be accessible from the "News and Events" section of the company's investor relations website at <https://investors.intapp.com/>.

About Intapp

Intapp makes the connected firm possible. We provide cloud software solutions that address the unique operating challenges and regulatory requirements of the global professional and financial services industry. Our solutions help more than 2,250 of the world's premier private capital, investment banking, legal, accounting, and consulting firms connect their most important assets: people, processes, and data. As part of a connected firm, professionals gain easy access to the information they need to win more business, increase investment returns, streamline deal and engagement execution, and strengthen risk management and compliance.
