

Intapp DealCloud wins Best Fundraising Solution at the Private Equity Wire European Awards 2024

April 3, 2024

Data and AI-powered software recognized for excellence among service providers in the European private equity market

PALO ALTO, Calif., April 03, 2024 (GLOBE NEWSWIRE) -- [Intapp](#) (NASDAQ: INTA), a leading global provider of AI-powered solutions for professionals at advisory, capital markets, and legal firms, today announced that its [Intapp DealCloud platform](#) was named Best Fundraising Solution at the [Private Equity Wire European Awards 2024](#). Chosen by industry voters, these awards recognize excellence among European fund managers and service providers, and highlight the achievements of leaders and innovators in a dynamic industry.

Nominees for the service provider category were selected through a pre-poll of more than 200 European-based general partners and other key industry participants. This year, more than 35,000 Private Equity Wire readers voted to determine the winners, which were announced and celebrated at a gala on February 7 in London.

"We're delighted to be named the winner of the Private Equity Wire European Awards 2024 Best Fundraising Solution," said Amit Lalwani, Head of Global Business Development for Intapp DealCloud. "It is a strong validation of Intapp DealCloud's ability to help fundraisers and investor relations (IR) professionals engage with their investor base with the best information at their fingertips — which makes them more competitive in tough markets."

Lalwani shares more about how DealCloud, and its Applied AI capabilities, empower fundraising efforts in a [video interview with Private Equity Wire](#).

DealCloud provides a single-source pipeline management, relationship intelligence, and CRM platform that [powers the dealmaking processes from strategy to origination to execution](#). It offers fully configurable solutions built for the complex relationships and day-to-day needs of the most demanding investment professionals. With DealCloud, firms can harness their proprietary and third-party data, allowing dealmakers and professionals to focus their efforts on originating better deals, accelerating execution, and building relationships.
